Men's Ministry at Bathurst Baptist

Vision and Purpose

“Building Men for Jesus”

Objectives

Create opportunities for men to build Christ-centred, trusting relationships in which they can help, encourage and equip each other to:

- ✦ **Grow in Christ-likeness**
- ✦ **Serve others in need**
- ✦ **Evangelise other men**
- ✦ **Serve their church community**
- ✦ **Support like-minded ministries in other churches**

We will do this by:

conducting a range of activities such as monthly men's coffee mornings, men's breakfasts, men's retreats/conferences, social and other special events and to encourage a greater participation of men in other activities of the church including Sunday services.

All of these activities are intended to equip men to serve the Lord by increasing biblical knowledge and sound doctrine, providing avenues for evangelisation, fellowship with ours and other churches, providing help to the church family and those in need and to honour God through worship, prayer and the conduct of their lives.

“As iron sharpens iron, so one man sharpens another.”

Proverbs 27:17
